WEBSITE CONTENT WORKSHEET

TEXT

- You must set up a separate Word processor file for each Web Page. Use this worksheet to indicate which file names correspond to which Web pages.
- We prefer **Microsoft Word**, though we can convert a wide variety of file types.
- Please do not send us a draft of your text. **Send us your final version.**

GRAPHICS

- The quality of your Web site has a lot to do based on the photos or graphics you choose for your Web pages. Photos are the best to use.
- You may **send graphics to us in both digitized form or hard copy photos**, which we will scan and return.

Please include this Website Content Worksheet with the materials you send to WDE Design. Feel free to use your own form if that is more convenient.
